

General Booster October 6, 2009

Meeting called to order by Jane at 6:45pm.

No more yard signs can be ordered. We have to order by bulk so we won't take any more orders until registration next year.

Silent auction items needed. Contact Angela Ross.

We will have Fried chicken at Desoto – parents will send sides again.

Band bags are being ordered. Checks are to be made out for \$25.

Philip Hinkle with Fundraising report – two boxes of candy left. Current fundraisers are the Macy's shop for a Cause and the Massage at chiropractor by Bryan Irvin/Hulen area. If we sell all of the massages, we can make \$9,000. The Mexican Dinner is coming up on the 30th. Carrie Kitzmann is in charge of the volunteers. We need someone with ink to print the tickets. Kelli volunteered.

Jane reviewed what the band fees are used for throughout the year and the necessity to pay the fees. These fees are a discount of what the total actually costs the boosters to pay for the students actual cost.

Clara Childress – Concessions report - \$1,298.43 items bought – we have brought in \$3,001.46 this year.

Aly Corral – Treasurer's report – current balance is \$1,133.23. Doesn't include about \$1,500 in deposits she needs to take to the bank.

Amendment to budget of loading crew – Jane presenting for Greg Farley (in his absence). Need \$5,337.34 to be approved. Kelli motioned, Clara seconded. No Discussion or questions. Motion carried.

Chiropractor Fundraiser – asking that every kid sell the two coupons. We would rather that no coupons get turned back in – that we just collect the money. Mr. Canfield has the extras.

See our website – www.spiritofsaginawband.org. Communications are here regarding everything we are doing.

Please make payments to your student's outstanding band fees before you start paying on your trip.

Meeting adjourned 7:05pm.

Disney Trip Meeting – Mr. Hayes

Mr. Canfield gave a Director's report before the Trip Meeting. See TexasBob.com for info for the Odessa Ratliff stadium for the Area contest.

Will stay in the park at one of the resorts. Very good security. He started in this business about 35 years ago with one bus. Have brought groups of thousands before to Disney. He has two rules for parents – stay out of the way and let the travel company do everything. He wants the parents to be able to relax and enjoy themselves too. Use Southwest and Airtran, 737 aircraft. Should land and be at Disney by around noon the first day. Luggage will be sent to your rooms separately – it will be in your room when you get there. We will go straight to the park.

Will stay at Disney All Star Resort. Have a three day park hopper pass – can visit Magic Kingdom, Hollywood Studios, Epcot, etc. anytime, in groups. Disney animation is one of these – 5 floors of animation.

They are proud of their food at Disney. Meal coupons are \$14, but there is a lot of food for that price – can even split it. You can go on your own dollar for dollar. Light breakfast eaters would want dollar for dollar at least for those meals.

Roommate party just before we go – January/February for students. If you have one person backout of a room, the three remaining people will cover the cost. First 137 that sign up are on the plane that leaves 7:50am nonstop. Then the rest will be on the next planes – they may be able to all go non-stop.

12 first class seats available to highest bidder(s).
